Vernon firefighters on scene of structure fire downtown

Vernon firefighters are on scene of a structure fire in the downtown core this morning.

At approximately 8:30 a.m., Vernon Fire Rescue was dispatched to a report of a fire in the 3000-block of 31st Avenue, near the Schubert Centre. Upon arrival, crews confirmed smoke was coming from one structure in a park area adjacent to Lower BX Creek.

Crews knocked the fire down quickly, but remain working on scene at this time.

Members of the public are asked to stay away from the area around the Schubert Centre and the west end of 30th Avenue so emergency personnel have easy access to the site.

More information will be provided when it becomes available.
