Boat launch at 8130 Tronson Road replaced and open for use

The City of Vernon is pleased to announce the boat launch at 8130 Tronson Road was replaced this spring and is open for boaters' use.

The previous boat launch was in disrepair and required replacement. The new boat launch includes heavier concrete slabs and erosion protection to help ensure the slabs remain in place. The project also includes new directional signage and an updated parking layout.

Below is a map of the boat launch location.
