TELEPHONE: 250-550-3539

BX Creek culvert rehabilitation work underway

The City would like to advise motorists that a portion of 30th Avenue will be closed for the next several weeks while crews complete culvert rehabilitation works to the BX creek.

While this work is being completed, eastbound traffic will be detoured along 31st Avenue at the roundabout and westbound traffic will be detoured along 34th Street (please see map below).

Access to area businesses will remain open and residents are encouraged to continue supporting local businesses.

The work is expected to be complete by the end of day on Tuesday, August 22. Please note, these timelines may change if emergencies arise.

Motorists are reminded to slow down in construction and detour zones, and obey all traffic control measures.

The City thanks everyone for their patience and understanding while this work is being completed.
