Temporary detours of 33rd Street and 42nd Avenue start next week

The City would like to advise motorists that starting next week, temporary detours will be required for portions of 33rd Street and 42nd Avenue, while crews begin work on a multi-phase water and sanitary infrastructure upgrade project.

Starting as early as 7:30 a.m. Tuesday, November 14, 33rd Street between 42nd and 43rd Avenues will be closed to through traffic. As well, a portion of 42nd Avenue between 34th Street and Highway 97 will be closed to through traffic (Please see map below).

Local and business traffic will still be able to access residences in the area, however, there will be no on-street parking available during construction.

Work on the first phase of this project is expected to be completed by 4:00 p.m., Friday, December 15. Please note, these timelines may change if emergencies arise.

Some delays should be expected for motorists in the area, however, every effort will be made to minimize disruptions. For the safety of workers and public, please obey traffic control signage and slow-down in the area.

The City apologizes for any inconvenience this disruption may cause and appreciates everyone's patience while the work is being completed.

A map of the work area and detour is available below.
