### **City of Vernon receives prestigious financial award for 2023 budget**

Government Finance Officers Association (GFOA) is pleased to announce the City of Vernon has received the GFOA's Distinguished Budget Presentation Award for its 2023 budget.

The award represents a significant achievement by the City. It reflects the commitment of management and staff to meeting the highest principles of governmental budgeting. In order to receive the budget award, the City had to satisfy nationally recognized guidelines for effective budget presentation. These guidelines are designed to assess how well the City's budget serves as:

- a policy document
- a financial plan
- an operations guide
- a communications device

Budget documents must be rated "proficient" in all four categories, and in the fourteen (14) mandatory criteria within those categories, to receive the award.

When a Distinguished Budget Presentation Award is granted to an entity, a Certificate of Recognition for Budget Presentation is also presented to the individual(s) or department designated as being primarily responsible for having achieved the award. This has been presented to the City of Vernon's Financial Services department.

There are over 1,700 participants in the Budget Awards Program. The most recent Budget Award recipients, along with their corresponding budget documents, are posted quarterly on GFOA's website. Award recipients have pioneered efforts to improve the quality of budgeting and provide an excellent example for other governments throughout North America.
