Becker Bike Park Phase 2 Project to Begin Next Week

Construction will begin on the Becker Bike Park Phase 2 project as early as Monday, March 11, 2024. To allow for the construction of new park amenities, phase 2 will begin with the clearing and removal trees and shrubbery as well as earthworks. The project is anticipated to continue until summer 2024.

For safety reasons, users should anticipate area closures to Becker Park (see the map below).

Please slow down if traveling near the area and obey all traffic control signage. The City apologizes for any inconvenience this park closure may cause and appreciates everyone's patience while this infrastructure project is being completed.

The revitalization of Becker Bike Park is included in the City of Vernon's Parks Master Plan, and supports Tourism Vernon's Five-Year Strategy. The City gratefully acknowledges the financial support of the Province of British Columbia through the Ministry of Tourism, Arts, Culture and Sport.
