### **Kal Tire South Facility Temporarily Closed for Repairs Sunday and Monday**

Please be advised that Kal Tire South will be temporarily closed Sunday (today) and Monday to allow for repairs to the main ice chiller. As City crews repair the chiller, the ice surface will start to thaw. Ice use will not be available until after the chiller has been repaired.

Kal Tire North remains open.

Some events have been cancelled or rescheduled to one of the other arenas. The City appreciates everyone's patience while this important work is being completed.
