### City and RDNO to Begin Major Utility Construction Project Next Week

A major construction project on 35<sup>th</sup> Street is scheduled to begin next week, between 34<sup>th</sup> Avenue and Centennial Drive.

Starting as early as Monday, June 24, City of Vernon and Regional District of North Okanagan (RDNO) will begin construction of underground utilities. The work is anticipated to continue for several months.

The work includes new water, storm, and sanitary sewer utility lines and related road surfacing.

A portion of 35<sup>th</sup> Street, 34<sup>th</sup> Avenue and 35<sup>th</sup> Avenue will be accessible to local traffic only, during construction (please see map below). Detour routes will be available along 33<sup>rd</sup> Avenue, 34<sup>th</sup> Street and Centennial Drive.

For the safety of workers and public, please slow down, follow detour routes, and obey traffic control personnel and signage in the area.

Project partners appreciate everyone's patience and understanding for any inconvenience this road closure may cause while the project is being completed.
