Temporary Partial Closure of Pottery Road Friday

A temporary detour will be required for a portion of Pottery Road Friday (tomorrow) as crews repave the road.

Starting as early as 7:00 a.m., Friday, October 25, Pottery Road will be closed between Highway 6 and 18th Street. The work is expected to take one day to complete, weather dependent (please see map below).

Some delays should be expected for motorists in the area, however, every effort will be made to minimize disruptions.

For the safety of workers and public, please slow down, follow detour routes and obey traffic control personnel and signage in the area.

The City apologizes for any inconvenience this disruption may cause and appreciates everyone's patience while the work is being completed.

A map of the work area is available below.
