Temporary Traffic Disruption for Portion of 27th Street This Week

Motorists travelling along 27th Street this week may experience minor travel delays, while crews install water infrastructure.

Starting as early as 7:00 a.m. on Wednesday, November 6, a portion of 27th Street will be closed in the northbound lanes between 28th and 30th Avenue. Traffic will be reduced to single lane traffic in both directions during construction (please see map below).

Local traffic will still be able to access businesses and residences in the area.

Work is expected to be completed by end of day. Please note, these timelines may change if emergencies arise.

Some delays should be expected for motorists in the area, however, every effort will be made to minimize disruptions. For the safety of workers and public, please obey traffic control signage and slow-down in the area.

The City apologizes for any inconvenience this disruption may cause and appreciates everyone's patience while the work is being completed.

A map of the work area and detour is available below.
