### **Construction to Continue on Kalamalka Lake Road This Week**

Motorist travelling along Kalamalka Lake Road this week may experience minor travel delays, while crews perform asphalt surface repairs.

Starting as early as 7:00 a.m. on Wednesday, November 6, crews will return to Kalamalka Lake Road, reducing traffic to two lanes between 14<sup>th</sup> Avenue and Highway 6. Work may also require road closures on 19<sup>th</sup> Avenue (please see the map below).

Local traffic will still be able to access businesses and residences in the area.

Work is expected to take one week to complete, weather dependent.

Some delays should be expected for motorists in the area, however, every effort will be made to minimize disruptions. For the safety of workers and public, please obey traffic control signage and slow-down in the area.

The City apologizes for any inconvenience this disruption may cause and appreciates everyone's patience while the work is being completed.

*A map of the work area is available below.*
