Statement from Mayor Cumming on the Passing of Former B.C. Premier John Horgan

On behalf of Vernon City Council and our community, I would like to extend our deepest condolences to the family, friends, and colleagues of former B.C. premier John Horgan.

His dedication to public service and his enduring commitment to the people of British Columbia are qualities that will be remembered and respected.

Mr. Horgan was a leader who prioritized the well-being of all British Columbians and worked tirelessly to build a province that values compassion, inclusivity, and resilience. His leadership helped guide us through challenging times, and his legacy will undoubtedly inspire future generations.

Our thoughts are with all those who had the privilege of knowing and working alongside him, and with the communities who benefited from his years of service.

Today, we join all of British Columbia in mourning his loss and honoring his life's work.

Victor I. Cumming
Mayor, City of Vernon
