### 2025 Business License Renewal Time

Vernon business owners are reminded that it's time to renew your City of Vernon business licence. Fees are due **January 1, 2025**.

A Business Licence is required to operate a business in Vernon. For your convenience, if there are no changes to your business information (such as ownership, location, or type of business), renewals can be done quickly and easily through the City's website at [vernon.ca/businesslicence](https://www.vernon.ca/businesslicence).

Due to the ongoing Canada Post labour action, business owners in Vernon may experience delays in receiving their business licence renewals by mail.

To ensure timely receipt of important billing information, the City of Vernon encourages business and property owners to sign up for MyCity, the City's online portal.

MyCity provides business and property owners with 24/7 access to their City of Vernon information, including utility bills, property taxes, and business licensing accounts.

Visit [vernon.ca/mycity](https://www.vernon.ca/mycity) to register for MyCity and explore the convenience of these online services.

If you have questions about applying for a licence or require revisions to your existing licence please contact the Licencing Department by phone at 250-550-3634, by email at [buslicence@vernon.ca](mailto:buslicence@vernon.ca), or by visiting the Community Services Building at 3001 – 32<sup>nd</sup> Avenue.
