Road update: 30 Street

From July 18 to late October, 30 Street will be closed between Highway 6 and 30 Avenue to upgrade the road and underground utilities. A newly separated two-way bike path and sidewalks will also be built to enhance bicycle and walking facilities on 30 Street. Traffic will be detoured during construction.

During construction, all businesses in the area will remain open. Vehicle access will be available in the adjacent side streets and pedestrian access in 30 Street will be maintained throughout.

Please support our local businesses during construction.
