

ACTIVATE OUTDOOR SPACE

GUIDELINES - COVID-19 Temporary Outdoor Commercial Use in Private Space / Parking Lots

On May 25, 2020, Council temporarily relaxed the rules on commercial uses in private outdoor space / parking lots throughout the City of Vernon, in alignment with BC Public Health guidelines, allowing businesses to expend up to 50% of their required private space / off-street parking until October 31, 2022.

General Requirements

1. Temporary outdoor commercial use is only be permitted on private space for previously approved business under an existing valid business license.
2. Temporary outdoor patios and retail uses under this guideline shall operate no later than October 31, 2022; however the City may terminate these permissions upon 24 hours' notice.
3. The business owner is to sign a User Agreement with the City, and be responsible for obtaining all relevant permissions and insurance coverage, including but not limited to the Liquor Distribution Branch (LDB), Interior Health Authority (IHA), and their landlord, with due consideration of any other occupants / businesses in the building.
4. The business owner of a temporary outdoor commercial use is to ensure that the revised occupancy load with expansion outdoors does not exceed pre-COVID-19 occupancy allowances.
5. The business owner of a temporary outdoor commercial use must prepare a revised emergency plan for the building and the temporary outdoor commercial use evacuation as needed.
6. On-site parking may be used for temporary outdoor commercial use, except the required loading spaces and number of designated accessible parking stalls, which must remain available for loading and parking use.
7. The side of the temporary outdoor commercial use adjacent to vehicle traffic shall maintain a minimum distance of 1.0 m from the edge of any the adjacent internal travel lane.
8. The business owner of a temporary outdoor commercial use is to ensure that expansion into parking spaces is clearly delineated to motorists. This may include additional wayfinding and traffic signage.
9. The business owner of a temporary outdoor commercial use must ensure there is a clear pathway from the remaining parking area to the business' front doors for emergency access. The pathway must be the same width as the business' front doors.

ACTIVATE OUTDOOR SPACE

10. Wheelchair access must be provided to, and throughout, the temporary outdoor patio and/or outdoor retail as per BC Building Code (Building Access Handbook).
11. The business owner of temporary outdoor commercial use shall mitigate any negative impacts on abutting or nearby residential development; including prioritizing the use of indoor space before utilizing outdoor and parking space.
12. The use of temporary outdoor commercial use shall comply with the City's [Good Neighbour Bylaw # 4980](#).
13. The business owner of temporary outdoor commercial use may install only nonpermanent structures that could be moved at any time (e.g. planters, umbrellas, moveable fences, chairs, tables, etc.). Any exit gates must be at least 0.9 m in clear width, and provided with exit signs where the gate is not clearly visible to patrons. The gate must swing freely outward from the temporary outdoor use during hours of operation.
14. Certified electric or propane patio heaters are permitted where located at least 3m (10ft) away from overhead structures / tree branches, operated per the manufacturer's directions and not stored on the road right-of-way when not in use. Solid, gel or liquid-fuel fire features are not permitted.
15. Cooking or food and drink preparation is not permitted on temporary outdoor commercial use.
16. The business owner of a temporary outdoor commercial use shall apply for a [Sign Permit](#) for any additional signage.
17. Throughout the operation of temporary outdoor patios and retail space on private space / parking lots, businesses are expected to monitor their parking needs and adjust accordingly if they find there is significant vehicle spillover into adjacent areas or other complaints. The City may inspect at any time to ensure that the use of private parking spaces does not exceed 50% and has the discretion to require adjustment or removal of the temporary outdoor patios and retail space.
