Improving safety and accessibility for walking, cycling, or driving on Kalamalka Lake Road.

We're improving Kalamalka Lake Road between 14th Avenue and Highway 6 by rebuilding the road, upgrading sidewalks and pathways, and replacing aging underground infrastructure. These upgrades will make travel safer and more accessible for all road users.

Road Reconstruction: About 475 metres of road rebuilt for safer, smoother travel

Storm & Sanitary Upgrades: Replacing aging underground infrastructure

Sidewalks & Multi-Use Paths: New and improved connections

Enhanced Accessibility: Safer and easier travel for pedestrians, cyclists, and drivers
