Medical Attention Consent Form:

It is the policy of this Centre to notify a parent or emergency contact person when a child is ill or needs medical attention. Occasionally we cannot contact these people and we need to get immediate help for the child. Our procedure is to take the child to the nearest emergency service by ambulance.

Please sign below so that we can take appropriate action on behalf of your child. Parents are responsible for costs (if any) from use of an ambulance.

I hereby give consent for my child _____, when needing medical attention, to be taken to the nearest emergency centre by the staff of Tiny Tots or by ambulance when I cannot be contacted.

_____ Date

_____ Name (Please Print)

_____ Signature

Very Important!!!

Immunizations Records: (A photocopy of record must be provided).

Childhood diseases which are preventable through immunization include:

- Whooping cough (pertussis)
- Measles
- Mumps
- Rubella
- Meningitis caused by Haemophilus influenza type B

These diseases are easily transmitted among children, so it is important that we know if your child is immunized. We are required by childcare licensing to have up-to-date copies of immunization records for each child in our preschool program. If you have chosen not to immunize your child for a previously mentioned disease; in the event of chance of exposure, for your child's safety they will be required to be excluded from the program during the period of communicability.

Please fill out the section below which indicates your understanding to this matter.

I, _____ Parent/Guardian of

_____ understand that if Tiny Tots preschool does not have an up to date copy of my child's immunization records, my child will not be able to attend school if there is any reports of relative communicable diseases in the program.

Parent/Guardian Signature _____

Date _____
