REPORT FORM A

PERSONS AND VEHICLES

If you have noticed an influx of persons and vehicles around this residence it is useful for police to know which vehicles and persons are associating with this household. When acquiring information such as descriptions and license plates you will want to discreetly record this information. For your own safety do not attract undue attention to yourself. Obviously standing in the driveway of the suspected house writing down license plates is not a good idea!

Please also associate described individuals with the cars they travel in.

Description of Resident(s) vehicle(s)
