

All the reasons you come home are in Downtown Vernon! It's a warm cup of coffee with a friend. It's the one of a kind piece of art on the wall. It's a night in front of the big screen. It's the laughter and memories made around the table. It's the friendly neighbour next door. It's throwing on a new favourite sweater. It's music from around every corner. Welcome Home to Downtown Vernon.

The Downtown Vernon Association is an energetic and focused business organization representing over 700 members. We work to promote Downtown Vernon as a unique and dynamic destination for entertainment, goods and services. Through programs and services including networking, special events, marketing, infrastructure maintenance, and more, we continue to work at strengthening the economic vitality of Downtown Vernon for our members.
